The presented data derive from the Mandatory Notification System (MNS) of the National Public Health Organisation (NPHO). Notification forms and case definitions can be found at the NPHO's website (<u>https://eody.gov.gr/</u>).

It should be noted that data for November 2019 are provisional, and can be slightly modified/corrected in the future and also that data interpretation should be made with caution, as there are indications of underreporting to the system.
